

New York City Break | Explore the Big Apple

Holiday Duration: 4 Nights

Overview

New York City Break

A city familiar to us all through film and newsreels, but to actually visit it is an experience like few others. Not only the towering skyscrapers, the iconic buildings such as the Empire State Building and the Statue of Liberty, but the stunning art contained in world class galleries such as the Metropolitan Museum of Art (and its offshoot the Cloisters), the Guggenheim and the Frick Museum, Chinatown, the neon billboards of Times Square and the elegant shops along Fifth Avenue all await your visit.

This itinerary is flexible and can be tailor-made to suit you; if you want to add extra days in one area, extend the holiday or maybe change the direction of travel. Talk to one of our experts about how to make this holiday the perfect one for you.

Here's a day-by-day guide to your itinerary. Feel free to ask us to add other days or ideas and excursions by contacting us directly, so we can give you the best price.

Day 1-4

New York City

However familiar to you, New York has endless discoveries to be made here: the burgeoning bar scene across the East River in Brooklyn; the many cool eateries of the Meatpacking District, and the rising restaurant scene in Hell's Kitchen; the elevated walkway of the High Line; the calm to be found at the lower tip of Manhattan in Battery Park, where you can gaze out at the Statue of Liberty. Despite the quantity of yellow cabs clogging the streets, the New York subway system is the largest mass transit system in the world, we suggest you use it to get to discover hidden parts of the city.

Let Frontier America organise some attraction tickets for you and defeat the queues. We have access to most things whether it is a cruise around the island, tickets to the Top of the Rock, a helicopter tour above the city, a private walking tour around one of New York's many neighbourhoods, the NYC Slavery and Underground Railroad Tour or an Experience behind the scenes of Broadway. We can also provide tickets to some of Broadway's famous shows, make restaurant reservations or perhaps you would rather go further afield with a day trip to Boston, Philadelphia or Washington.

4 nights in NYC

You could have a two-city vacation. Pair New York with Boston, Washington or Philadelphia or perhaps have some downtime on Long Island. Alternatively you could rent a car and explore the under-visited New York State and New England.
